

Volunteer in Clatsop County

Who can be a Clatsop County volunteer?

- Students, adults, groups, and families are all welcome to apply for volunteer positions within Clatsop County departments.
- High school and college students can earn credit by volunteering with the county. College students in a work study program are also excellent candidates for volunteer positions.
- Families and community groups benefit from volunteering as a group or team.
- Adults can participate in local government by joining an advisory board or committee.
